

Memberships with children under 4 years

For Members with children who are under 4 years old, Livermore Valley Tennis Club has two additional membership options so that their small children may use the club:

Option 1. Only for the four summer months listed below, June through September, you may purchase a summer guest pass, which must be shown to the desk staff upon each entry to the Club. Your child will not be listed on the computer. The fee is the difference between a couple membership and family membership (for all children under the age of four) per month of desired use.

Option 2. (Individual Members only) For year around use, the difference of couple to family dues will be charged for children under four years of age. Note that when child becomes 4 years old, a couple or family membership would be needed, and the difference of membership fees would need to be paid. This option requires a minimum of 12 months.

Please make the Club facilities available to my child (ren):
