# Summer Performance Camps

**This summer, shine on stage!**

Come take part in this fun-filled, theme-based dance camp where children ages 3 – 13 will learn dance routines along our popular pop-culture themes. Campers will be divided up by age to learn their own group routine and the entire camp will learn a routine together. At the end of the week, we will put all of the numbers into one big performance which parents and friends will be invited to come and enjoy. Throughout camp, we will also be making a craft each day, doing fun activities, going swimming, and playing games. This is an excellent opportunity for kids to put on a great show and have a lot of fun in the process! All campers are asked to pack a lunch for camp each day. An additional snack will be provided as well. Please note that no early drop-off or late pickup is allowed. These camps will fill up quickly, so reserve your spot today!
